OUR HISTORY

TDH was originally founded in Montreal in 1976. After 30 years of completing hundreds of adoptions, an Ontario office was established in Vankleek Hill in 2006. The Ontario and Quebec offices operate as separate agencies as per provincial restrictions.

Origin of the Name

TDH is the acronym for the French phrase “Terre des Hommes” which is the title of a book by the French aviator/author/philosopher St Exupéry, who also wrote “The Little Prince.” St-Exupéry created the phrase after viewing Europe from his open-cockpit airplane and noticing that he could not see any national borders. The phrase translates to “men of the land” but implies that we are all members of one human family.

The TDH Family

The International Federation of Terre des Hommes is located in Geneva, Switzerland, and has national member agencies that operate autonomously.

TDH Canada is a federally registered Canadian charity that is responsible for raising funds to implement international projects that benefit children, such as new school construction and financial aid for food and medicine.

The two TDH adoption agencies in Canada that are loosely connected to TDH Canada are:

- 1) TDH pour les enfants, a Quebec-registered non-profit organization responsible for international adoption that works with Quebec residents.
- 2) TDH Ontario Inc., an Ontario-registered non-profit organization licensed by the Ontario Ministry of Children and Youth Services under the Intercountry Adoption Act to facilitate intercountry adoption for the residents of Ontario.
